Professional Summary

Motivated Software Engineering undergraduate at Bahria University Islamabad with strong foundations in object-oriented programming, data structures, and software design. Experienced in Frontend Web Development (React.js, HTML, CSS, JavaScript), Databases, Java, and C++, with hands-on academic and internship-level projects including management systems, simulations, and game development. Possesses a keen interest in UI/UX design, modern web technologies, and scalable software systems. Known for quick learning, clear communication, and building user-friendly, responsive, and well-structured applications.

Project Experience

University Management System (Java, Java Swing, SQL)

- Built a desktop management system with role-based access (Student, Teacher, Admin).
- Implemented attendance, timetable, grades, announcements, and SQL-based data storage.

Nexture Project (React.js, Tailwind CSS, Node.js)

- Built a responsive web app for texture and material visualization using **React.js** and **Tailwind CSS**.
- Integrated a **Node.js backend** to handle APIs and enable smooth, real-time user interactions.

Additional projects and code demonstrations can be explored on my GitHub repository:

Education

Bachelor of Science in Software Engineering

Bahria University Islamabad | 2023 – 2027

- Focused on OOP, DSA, Software Design, OS, and DBMS.
- Engaged in projects, UI/UX design, and software development.

Intermediate (Pre-Engineering)

Bahria College Karsaz, Karachi (Completed)

- Strong background in mathematics and physics
- Developed analytical thinking and problem-solving skills

Technical Skills

- **Frontend Web Development:** HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap
- **Programming Languages:** Java, C++, Python (basic), SQL, JavaScript
- **UI/UX Design:** Figma, Wireframing, Prototyping, User Flows
- **Frameworks & Tools:** Java Swing, SFML, Git, GitHub, MS Office, Jira
- **Core Concepts:** OOP, DSA, DBMS, OS, Software Design & Architecture
- **Soft Skills:** Communication, Team Collaboration, Problem Solving, Quick Learning

Certificates

- Certificate in Frontend Web Development (**Html, CSS , Javascript Course**) — **Udemy**
- Certificate in Frontend Web Development (**ReactJs Course**) — **Coursera**
- Certificate in Project Management — **Google**
- UI/UX Designing — **Udemy**
- Google Soft Skills (**PAFLA**) — **Google**
- Python Essential Course — **Cisco Networking Academy**
- AI For Everyone — **DeepLearning.AI (Coursera)**
- Speak English Professionally: In Person, Online & On the Phone — **Georgia Institute of Technology (Coursera)**
